1. Scope and Purpose

This accessibility declaration applies to the multilingual website of **Isolgomma S.r.l.**, available at the following domains:

- isolgomma.it
- isolgomma.com
- isolgomma.de
- isolgomma.fr

with reference to use both desktop and mobile devices.

The website has been developed in compliance with Directive (EU) 2019/882 (European Accessibility Act) and the UNI EN 301 549 standard, based on WCAG 2.1 Level AA.

2. Compliance Status

Following technical analysis and frontend optimization activities, the website is partially compliant with the requirements of the UNI EN 301 549 standard and WCAG 2.1 Level AA.

The level of compliance identified, based on the checks performed, is between **92% and 97%**, with some residual limitations described in the following section.

3. Content Not Fully Accessible

Some content may not be fully accessible, in particular:

- Alternative text for certain images
- Dynamic components (sliders, galleries, product tabs)
- Accessible names for certain links
- Size or spacing of some interactive elements

Isolgomma S.r.l. is committed to a process of continuous improvement and plans progressive optimization work.

4. Declaration Drafting Method and Checks Performed

This declaration was drafted following automated checks (e.g. Google Lighthouse) and manual reviews, as well as technical frontend optimization work (ARIA roles, keyboard navigation, links, forms, frames).

In particular, updates and optimization of JavaScript code were carried out via a dedicated WordPress plugin, with the aim of improving the accessibility, usability and semantic compliance of the website's dynamic components.

The checks and interventions cover all language domains of the site (.it, .com, .de, .fr).

The declaration is reviewed at least annually or whenever significant changes are made to the website

5. Accessibility Reports
